

COVID-19 and Information Standards

SNAP update

Purpose of this update:

This update is to provide a current summary of activity relating to COVID-19 in relation to products and services under the remit of the Terminology and Classifications Service within NHS Digital.

Unscheduled SNOMED CT micro release

There will be an unscheduled release of the SNOMED CT UK Edition on Wednesday 08-Sep-2021.

This unscheduled release is a Micro release and will contain only 9 (nine) new concepts to support the COVID-19 pandemic response.

Additional information will be published here: [SNOMED CT Releases: Important Notices & Known Issues](#)

It would be appreciated if this release could be implemented in Clinical systems as soon as is reasonable.

NHS Digital apologises for the unscheduled nature and short notice for this release.

Previous Snap Updates

SNAP updates, including previous issues, are also available on the [COVID-19 Information standards](#) Delen sharing platform.
